BANNER UPDATE - WE ARE ON TRACK FOR THIS SPRING!!

We never expected it to take this long to get the banner project up and rolling. It seems that we needed LG&E and the City's approval. Bob Hook III has been working diligently on the project which included mapping all of the possible poles, getting the numbers and finding the right people to talk to and then getting approval. Then he had to adjust the plan to find poles acceptable to LG&E. Bob has secured LG&E's approval for 31 poles. Now Bob can finalize the application to Public Works. We expect their approval to follow in the next few months. Thanks Bob!

BABA Business Expo

BABA's first annual Business Expo was a rousing success!! Many business contacts were made and much fun was had by all. Each exhibitor provided at least one door prize and everyone had a great time!

Lunch with the mayor was both informative and interesting. He discussed many issues relating to the Buechel Area. If you missed this year's Expo begin making Plans for next Fall's Expo. We expect it to be bigger and better!

Many thanks to the tireless Crysten and her team who did a wonderful job!
